

PILGRIM

HOW TO DONATE STOCK TO PILGRIM

Thank you so much for your generous support. To facilitate your donation, your financial advisor or broker will need the following information for a successful transfer:

Charles Schwab and Co
DTC Number: 0164, Code 40
Account Name: Pilgrim United Church of Christ
Account Number: 2893-6073

Stock can be donated at any time of year. Please send the treasurer an email (treasurerpucc@gmail.com), letting them know:

- What securities you're donating,
- The approximate date of the transfer,
- What this contribution is for. This is important. Some people donate securities in December to fulfill their current year's pledge; others are prepaying their pledge for next year. And some folks want to make a special designated gift—for example, to the church's endowment or to the capital projects fund.

Thank you for your generous donation!
